Process Management

The process management of the Jade University is executed with aid of the product „Aeneis" of the company Intellior. The university computing centre is responsible for the technical instigation of the system. The using institutions are responsible for the content.

If you have questions with regard to content about the process management, please direct them at the Department 3 - Section 3.1 - Quality Management and Organisation Development.

If you have questions with regard to the technology about the process management, write an e-mail to the university computing centre.
