# **Notes**

## **Description**

The Web-App "notes" is a distraction-free note-taking app. Notes are saved as files in the Collaboration Cloud, so you can view and edit them with every Nextcloud client.

**Notes App** 

## **Access**

#### Webbrowser

With a Web Browser, you can have access to the Web-App "notes" in the Collaboration Cloud of the Jade University. Link: <a href="https://ccs.jade-hs.de/apps/notes/">https://ccs.jade-hs.de/apps/notes/</a>

### **Desktop**

With the help of an installed CloudNotes - ownCloud NotesDesktop Client, you can have access to the notes in the Collaboration Cloud of the Jade University. You find the notes in the file "Notes".

## **Smartphone-App**

\* Apple iOS - Apple App Store: CloudNotes - ownCloud Notes \* Google Android \* F-Droid App Store: Notes \* Google Play Store: Nextcloud Notes

#### Use

The use is self-descriptive.
