

WebApps

The Collaboration Cloud is provided with various functions by so-called web apps, which you can see in the upper area when using the Collaboration Cloud with the help of a web browser.

The University Computing Center has installed the following web apps:

- [tasks](#)
- [Files](#)
- [Deck](#)
- [Calendar](#)
- [Contacts](#)
- [Notes](#)

A list of apps supported by the manufacturer can be found at this [Link](#).
