Media Systems

The HRZ uses media systems manufactured by Extron. These offer the following advantages:

- Consistent operating concept
- Full on-site control of the projector (no remote control required)
- Access to the HRZ pool's master station
- Access via VGA and HDMI for laptops
- Access via the network using an app or software

Operation:

Button	Description
ON/OFF	Turn the projector on and off
VGA	To display your device via a VGA cable
HDMI	To display your device via an HDMI cable
PC	To display the master station in the HRZ pool room
ShareLink	To display your device via app or software

Media controls are currently available in the following rooms:

HRZ Pool Rooms
