PC-Technology

The PC-Technology of the University Computing Center (HRZ) is responsible for the setup of operational, office stationary and mobile PCs for participation in all other IT services offered by the HRZ at Jade University of Applied Sciences (JADE-HS).

Terms of Use

The PC-Technology can be used by all university members with the exception of students who are in an active employment relationship with JADE-HS.

Furthermore, all of the following conditions must be met:

- The PC must be in official use and procured through the HRZ with a positive opinion.This applies to all devices in the device recommendation for official procurement.
- The PC must be officially supported by the manufacturer for the Microsoft Windows 10 or 11 operating system in the 64 bit version (driver support).

If these terms of use do not apply, you may not be able to take full advantage of the PC-Technology serviceof PC-Technik, but it can provide advice in this case.

If you would like to install an operating system yourself, the Notes on operating system installation on PC clients will help you.
