Apple iOS

Certificates

In order to establish a secure, encrypted WLAN/Wi-Fi connection, the digital certificates used must be confirmed by the corresponding certification authorities. Therefore, before setting up the WLAN/Wi-Fi connection, please check that the certification authorities have been set up correctly.

Configuration

Settings / WLAN: eduroam

- User name: domain login (form: ma1150@hs-woe.de)
- Connect

Troubleshooting

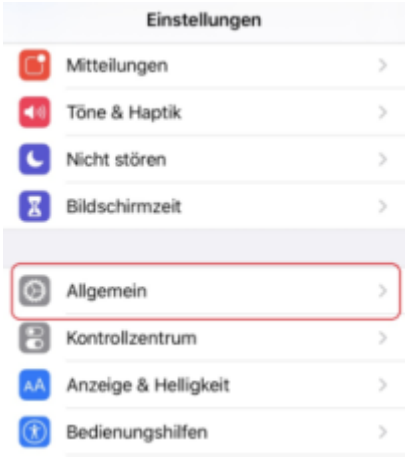

Delete any existing WLAN configuration for eduroam:

- Einstellungen (ENG: Settings) → WLAN:
  - Tap on the circled i symbol at WLAN eduroam → „Dieses Netzwerk ignorieren“ (ENG: „Ignore this network“).

Then proceed as described above.

If you are or were enrolled at another university, you must delete their profile:

- Einstellungen (ENG: „Settings“)→ Allgemein (ENG: „General“)

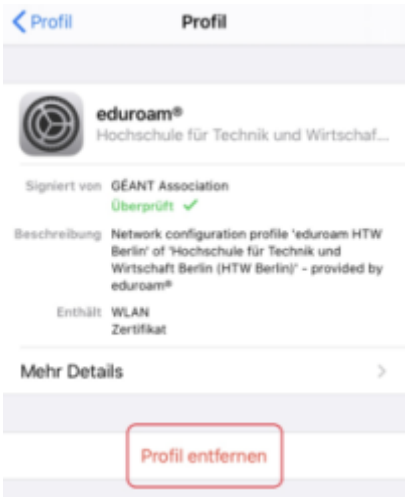

- Profil / VPN und Geräteverwaltung (ENG: Profile / VPN and device management) (the option under „Lexikon“ (ENG: „Lexicon“))

- Select profile

- Delete profile
